Memo.

Letter No. 3303/788 dated 22nd March 1894, from the Deputy Commissioner, Kolar District regarding the Mahal Jodi village of Nagarala mitté attached to the Sri Chandramouleswara Swamy temple in Muragamale Chintamani Taluk.

The Temple of Sri Chandramouleswaraswami in Muragamalé has in addition to the Mahal Jodi village of Nagarala mitté, a cash Jasdik of Rs 0-13-4 a month or Rs 10-a year. The Jodi village in question measures an area of Ac 272-G 33 and is assessed at Rs 107-8-0. The amount of combined quit-rent payable thereon is Rs 82-1-11 inclusive of the local cess.

R? 4. Mu
5. 17. 00

2. The Government demand to the extent of Rs 505-8-9 having fallen into arrears, the village was taken over under Government management in May 1886.

3. The village is a

Becherakh

Becharakh one. The irrigation tank is in disrepair. The wet lands to the extent of C. K. P. 2. 18. 1/4 have been given out for cultivation on a temporary Kandayem of Rs 30. 2 The dry lands of the village are reported to be next to useless and are lying waste. Thus, even under Government management the yearly income of the village has fallen considerably short of the Government demand annually payable thereon, and in consequence the arrears due to Government have since increased to Rs 635-4-6. Under these circumstances there does not appear the least chance of the village ever being redeemed within the prescribed period of 12 years allowed for redemption of villages taken over under Government management for non-payment of Government demand.

In submitting the case for the orders of Government the Deputy Commissioner observes as follows:—

× × × ×

A2

As the present arrange-
-ment can no longer be con-
-tinued with any advantage
to the Government or to the Temple,
the only alternatives, which
under the circumstances appear
open are:—

(1) to resume the village forth-
-with to Government remitting
all the arrears outstanding
up to date and to dissever its
connection with the temple, or

(2) to write off the arrears and
bring the village under Survey
Settlement to be hereafter managed
by the Muzrai Department for
the benefit of the temple through
a committee of respectable Dharma
-Kartas interested in the institution."

" The Temple is in receipt of
a small monthly cash allowance
of 0.13.4 for the daily Padithara
and Deeparadhané expenses
and the musicians attached
to the temple establishment
are in the enjoyment of certain
minor inam lands as a re-
-muneration for the services
performed by them."

" The present income of
the temple seems to be too
limited to provide adequately
for the regular and proper
performance of service in the

institution. I have therefore deemed this reference to you on the subject necessary.

" If for the reasons explained above, you think that the alternative arrange-ment proposed ought to be tried in the interests of the temple, I request that you will be good enough to move the Government with a view to the arrears being written off and the village brought under Survey Settlement."

Note

The income of the village even under Government management has not shewn any tendency to increase. I don't think therefore that the matters will improve even though the arrears standing against the village be written off and its future management be taken over by the Muzrai Department as suggested by the Deputy Commissioner. The best course under the circumstances appears to be to resume the village to Govern-ment and grant instead

to the temple a money grant equal to the difference between the total assessment of the village and the combined quit-rent &c now payable to Government — which amounts to Rs 26 nearly.

assessment Rs 107-8-0
Jodi &c payable to Govt Rs 82-1-11
Difference Rs 25-6-1

The Temple has at present a cash Jasdick of Rs 10/- per annum and I would recommend that the amount be raised to Rs 36/-

Memo Continued :—

The foregoing order was communicated to the

Deputy Commissioner, Kolar, in Proceedings No 170-1 / Mwz 7 19-94 dated 14th August 1894.

The village has accordingly been surveyed and settled with the following results :—

	A.	G.
Total area of the village	283	9
Deductions on account of Nálábs, Tanks and Phút Kharab . .	134	9
Balance of Cultivable area . . .	149	0

. assessed at ※ Rs 254-12-0.

Of the above,

an extent of 17-28 assessed at Rs 40-12-0 Constitutes minor inams
114-11 " . 160-0-0 lies waste and yields a petty income of Rs 4-4-0 a year by the sale of grass growing on them;
17-1 " 54-0-0 is in the occupancy of ryots who pay to the temple only the Kandayam of Rs 54-0-0

※ Total 149-0 assessed at Rs 254-12-0

The Deputy Commissioner reports that inclusive of the local and the irrigation cesses, the gross receipts from the village amount to Rs 82-0-3 a year; and deducting therefrom

therefrom Rs 17-0-0 payable to the village Shanbhogue and Patel as Potgi, the net annual income to the temple is only Rs 65-0-3 against Rs 82-1-11 payable to Government on account of Combined Quit-rent on the Inam village inclusive of Cesses.

As the income thus falls short of even the Quit-rent payable to Government, the amount of arrears due to Government has been increasing* year by year without any prospect of ever being cleared up.

*from Rs 505-8-9 in 1885-6 to Rs 826-15-4 at the end of 1898-9.

In these circumstances the Deputy Commissioner observes that the introduction of Survey and Settlement into the village has not had the desired effect; and he recommends that the arrears outstanding against the village may be written off the account and the village continued to the temple and granted to the Archak for cultivation on Kandayem tenure, on condition of its

performing Puja in the institution regularly.

With reference to the foregoing proposal of the Deputy Commissioner, I beg to invite reference to my note of the 12th July 1894, wherein I have recommended that the best course would be to resume the village to Government and grant instead a Ready money grant to the temple.

This course has been adopted by Government in two similar cases before as will be seen from the undermentioned papers put up for reference.

1. Govt. Pro: no. C781-3 dated 11th July 1885 regarding Sri Rajathiswaraswami temple in Ramanathpur

2. Govt. Pro: no. $\frac{3476-7}{15-7}$ dated 8th August 1888 regarding Sri Venkataramanaswami temple in Venkatiah's Chattram.

The first instalment of the
Income Tax will fall
right — & would give
an annual grant of £6 6s
including the present grant
& leave the Village to take its
own course under the new
Rules. The arrears may
of course be collected.
The remuneration of the Village
rendered absolute.

The Dy. Sir,

I have the honor to state that Nagaral Mitte, a Mahal Jodi village attached to the temple of Sri-Chendra Mowleswaraswami at Muragamala in the Chintamani Taluk was taken under Government management on the 27th May 1886 for failure of the Archik and Dharmakartas to pay the annual Government demand which fell largely into arrear.

2. The village is Becharak yielding a small income of about Rupees 49, which cannot satisfy even the current demand amounting to Rupees 82-11 annually.

3. The present revenue of the village is derived from wet lands and a few other miscellaneous items, while the dry lands have been lying waste.

4. The arrears outstanding against the village on the date of its attachment amounted to Rupees 505-8-9 which up to the end of 1892-93 have risen to Rupees 635-4-6 after deducting the recoveries made out of the annual income of the village so that there is no chance of the village being redeemed within a period of 12 years on the expiry of which it will, under the rules, be liable to be finally resumed by Government.

5. As the present arrangement can no longer be continued with any advantage to the Government or to the temple, the only alternatives, which under the circumstances appear open are:-

(1) to resume the village forthwith to Government permitting all the arrears outstanding up to date and to discover its connection with the temple, or

(2) to write off the arrears and bring the village under Survey settlement to be hereafter managed by the Minor Department for the benefit of the temple through a committee of respectable Dharmakartas interested in the Institution.

6. The temple is in receipt of a small monthly cash allowance of 13 annas and 4 pies for the daily Padittharam and Deeparadhana

expenses and the musicians attached to the temple establishment are in the enjoyment of certain minor Inam lands as a remuneration for the service performed by them.

7. The present income of the temple seems to be too limited to provide adequately for the regular and proper performance of service in the institution. I have therefore deemed this reference to you on the subject necessary.

8. If for the reasons explained above, you think that the alternative arrangement proposed ought to be tried in the interests of the temple. I request that you will be good enough to move the Government with a view to the arrears being written off and the village brought under survey settlement.

3. The introduction of survey and settlement into the village of Nagavalamitte, as will be observed from the above correspondence has not the desired

* No 1059 dated 15th February 98
No 852 dated 17th January 9

The total area of the Village as fixed by the Survey Settlement is 283.9 acres, of which 134.9 acres are deducted on account of Nallas Tanks and Pantkaval. The remaining 149 acres are classed as arable land and assessed at Rs 254:12-0. Out of the arable lands 114.275 acres assessed at Rs 160/- are not occupied (the only income now derived therefrom being by way of sale of grass growing on them which amounts annually to Rs 4-4-0); 17.7 acres assessed at Rs 40.12-0 constitute minor inams and 17.025 acres are being cultivated by the ryots who pay a Kandayam of Rs 54/-. This together with some other miscellaneous items such as - Jodi imposed on Shambogue Inam, sale proceeds of - grass growing on unoccupied lands and of Amaroy the Local and irrigation cesses constitute the present revenue of the village which amounted to Rs 82-0-3 for the year 1897-98.

5. The charges incidental for the Collection of the above Revenue amount to Rs 17/- a year, which are being paid to the Shanbogue and Potél as their hotarpio.

6. The minor inams referred to above include the Shanbogues lands for which he pays the full assessment of Rs 9/- under the name of Jodi. The other inamdars who are 10 in number do not pay the quitrent of Rs 6-4-0 imposed on their Inams and it is explained that the same has been included in the

7. With the exception of the Inam granted to Jaga service in the temple all the rest are for benifit of the village and the village community. These have to be continued to the persons enjoying them under any circumstances.

8 Deducting the Charges incidental to collection, the net revenue of the village is Rs 65-0-3, which falls short of the Government demand by Rs 17-1-8.

Under such state of finances there is I think, hardly any scope for recovering the arrears outstanding against the village which have up to the end of 1898-99 risen to Rs 826-15-4 including the cost of boundary marks, and much less for supplementing the small monthly cash allowance of 13 annas and 4 pies granted for the performance of service in the institution

9 For the reasons explained above, I am of opinion that the arrears of Jodi outstanding against the village may be written off the account and the village transferred to the Archk, as heretofore on condition of his paying Government dues punctually and of his performing puja regularly in the temple.

10 In conclusion I beg to state that the temple is reported to be in good condition and the performance of service in the institution is attended to regularly.

Dy 19-94 9th November 1900.

Government thereon is Rs 82-1-11 inclusive of local cesses.

2 In a letter to Govt no 3303/788, dated 22nd March 1894, the Deputy Comr reported that the Govt demand to the extent of Rs 505-8-9 having fallen into arrears, the village was taken over under the management of the Rev. Department in May 1886, that even under such management the arrears due to Govt had increased to Rs 635-4-6 in consequence of the yearly income of the village having fallen considerably short of the amount of Quit Rent &c annually payable thereon to Govt, as the village was a Beharakh one, and much of the lands was lying waste, and that

no prospect

~~last chance~~ of the village being redeemed within the prescribed period of 12 years allowed for the redemption of villages taken over under Govt management for non-payment of Govt demand. In these cases the Deputy Comr proposed two alternative courses; viz/

(1) either to resume the village to Govt remitting all the arrears due thereon, or (2) to bring the village under Survey Settlement and have it managed by the Muzrai Department for the benefit of the temple through a local Committee of Dharmakartas.

On this, the Govt passed an Order No 170-1 Muzt 19-94 dt 12th August 1894, directing the continuance

of the management of the
village by the Rev. Department
and the introduction of Survey
and Settlement into the village,
and observing that the proposed
resumption of the village
might be reserved for consideration
later on.

3. The Deputy Comr.
in his letter No. 1227/238, dated
2nd October 1899, read above,
reports that though the
village has been surveyed
and settled in pursuance
of the aforesaid order of
Govt, yet the annual income
therefrom to the Govt,
after deducting the Potgi
due to the village Patel and
Shanbhogue, amounts only
to Rs 65-- -- 3 against Rs 82-1-11
payable to Govt on account
of the combined Quit Rent &c,
and that in consequence
the amount of arrears due

due to Govt has increased to Rs 8246-15-4 at the close of the year 1898-99 without any prospect of its ever being cleared up. In these circs the Deputy Comr. proposes that the arrears outstanding against the village may be written off the accounts and the village granted to the Temple Archak for cultivation on Kandayam tenure, on condition of his performing Puja in the Institution regularly-

4. The Govt however observe that the best course under the foregoing circs will be to resume the village to Govt and grant instead to the temple a Ready Money Allowance equal to the value of the

Inam grant, as represented
by the difference between
the Beriz of the village and
the combined Quit Rent &c
payable to Govt thereon
according to the Inam Settlement —
which amounts to Rs 25-6-1.
The Government accordingly
direct that the ~~Inam~~ village of Nagaralamitte, which is now an Inam to the ~~temple~~ of Sri Chandramowleswara Swami Temple at Muvugamalè and
~~village which is now~~
under the management
of the Deputy Comr in
the ~~Revenue~~ Revenue Department.
be resumed to Govt absolutely;
and that the outstanding
arrears of Govt demand due thereon up to date
~~thereon~~ be written off
the accounts. The village
will henceforth be treated
as Govt village and dealt
with under the Revenue Rules.
The Govt are further pleased
to sanction the grant of a ~~&~~
cash allowance of Rs ~~25-6-1~~ 26

a year to The temple in substitution of the land inam now resumed. The Inam Supdt will be requested to register this allowance in the name of the temple as an addition to the Muzrai Cash grant of Rs ~~10~~ a year, separately enjoyed ~~by~~ by the Inst.n under Inam Title Deed No.8 dated 1st January 1871 of the late Ambajidrug Taluk, and issue a fresh Title Deed for the aggregate amount of Rs 386/- a year payable to the temple hence forth.

From

To

Secretary to Government
Muzerai Department

Sir,

With reference to your docket no: 2020 dated 20th October 1907, calling for a report on the memorial addressed to H. H. the Maharaja by Gundappa archak of Sri Chandramouleswara swami temple at Muruga male, Chintamani Taluk, praying that the produce of the Inam village of Nagarlamitte resumed to Government may be kindly ordered to be given over for the benefit of the temple, I have the honor to state that

the

the Inam village of Nagarlamitta referred to was resumed to Government in November 1900 vide Govt. Pro: No: 490-1 Inst. F. 19-94 dated 1.11.1900 owing to the income from the village having fallen considerably short of the amount of Quit-rent etc annually payable thereon to Government: as the village was Becharak and Consequently the amount of arrears due on this village viz Rs 826.15.4 at the close of the year 1898-99 was written off the accounts. The Govt have after careful Consideration increased the Cash grant from Rs 10/- to Rs 36/- to the temple in lieu of the Inam village resumed to Government and this Sasdik of Rs 36/- therein sanctioned is being paid regularly to the temple.

2. The wet lands of Nagarlamitta were sold in 1891-

on temporary tenure, apparently on the ground that the village was only temporarily under Govt. management. Since then these lands are in the enjoyment of two persons other than the archak. The memorialist petitioned to the Assistant Commissioner, Chintamani Division on 9th January 1903, to restore to him the whole of wet lands under the tank in the Inam village. Mr. K. R. Srinivasa Iyengar, the then Assistant Commissioner rejected the claim on 8th March 1904.

3. Vernacular correspondence ending with Malur Sub Division Officer's Report - No: 892 dated 29th January 1908 is herewith submitted for reference.
